DR. SPALDING REARD.
Preached Two Sermons at Central
Baptist—Special Music in Evening.

Two helpful sermons were delivered
Sunday morning and evening at the
Central Baptist church by a visiting
clergyman, Rev. C. H. Spalding, D.D.,
of Boston, who is district secretary
for New England of the American
Baptist Publication society. At both
services there were large congrega-
tions, especially so in the evening,
where practically every seat on the
main floor was taken, and Mr. and
Mrs. Spalding were warmly received.
There were three excellent numbers
given in the afternoon.

The service was a joy-
(Svensen), by Mr. Forster, followed
by a "cells" solo, "The Lord's Prayer"
offertory: Melodie (Gottmann) and
after the sermon a brilliantly executed
duet, this selection being More's Sym-
phony. Intense appreciation of the ar-
tists' ability was shown by the congrega-
tion, which was the largest since
this series of special features has been
introduced at the Sunday evening
services.

Mr. Spalding's sermon was up-
on the topic, "Books of Time," and
was the intensest of his. He re-
minded us that now is the ac-
cepted time and now the day to ac-
cept the salvation offered through
God's word.

The extra car has been taken off
leaving two cars, which will
leave Franklin square and Yantic
about the hours.

The hospital extras will also be put
on again on Sunday and 6 o'clock.

**NOT SICK,
JUST HUNGRY.**

Experiments made by the Vander-
bilt Clinic in New York City prove
that many persons believed to be in
consumption are really suffering from
starvation, because their food does not
turn into tissue and strength.

They require the right kind of food
elements and the ability to have the
system built up from these; that is
all that stands between them and good
health. Under the correct condi-
tion they will get run down and
fall into consumption.

The elements that Nature draws up-
on day by day to keep up the bodily
strength are the exact properties con-
tained in SMITH'S EMULSION COD
LIVER OIL WITH HYPOPHOSPHITES.

That is why this splendid remedy is
so very effective in restoring health
and strength to a body weakened by
any disease of a wasting nature.

Local General Chamber of Commerce

To be Held by All Organized Bodies Dispensing Assis-
tance to the Poor and Needy—Want Central Com-
mission to Handle this Work in Norwich.

Some 200 men responded to a call
for a meeting Sunday afternoon in
the lecture room of the Central Bapt-
ist church for a discussion of the ad-
ministration of the public charities of
Norwich, and after listening to the re-
marks of several speakers, passed a
motion to have a committee of nine
in charge to arrange for a conference of
delegates from every organization ad-
ministering charity in the city, to be
held Sunday.

B. P. Bishop, who was chairman of
the committee of arrangements which
included also Rev. P. C. Wright and
Rev. C. H. Northrop, called the meet-
ing to order and suggested a method
by which the report of this confer-
ence on the subject would be sub-
mitted to some general body, similar
to the one held Sunday.

Rev. P. Bishop, who was chairman of
the committee of arrangements which
included also Rev. P. C. Wright and
Rev. C. H. Northrop, called the meet-
ing to order and suggested a method
by which the report of this confer-
ence on the subject would be sub-
mitted to some general body, similar
to the one held Sunday.

He called first upon Rev. Mr. North-
rop to speak, this meeting having
been called to order by Rev. Mr. North-
rop. He said that he would like to have
a chance to explain to the men of the
city the work of the city mission
department of the United Workers un-
der his direction. Rev. Mr. Northrop
informed the meeting that the work
that had been distributed at the door,
giving the history of the city mission,
and said that the number of families
assisted had been cut down in the last
nine months from 150 to 40, and of
these 40, only 25 are now being as-
sisted. The giving out of meat tickets had
been stopped, and in 1909 it had been cut
down to showing the number of fam-
ilies getting meals at the expense
of the support of the city mission.

Rev. Mr. Northrop said that the
expectation of the city mission that
there might be some sort of correla-
tion of charities, that the charges
might be paid for the past year, con-
ference, the selectmen, United Work-
ers, Catholic parish, churches, the
